### **Further Reading:**

- Exodus 20:1-20
- Matthew 5:17-48
- Romans 3:9-31

### **Reflection Questions:**

- What experiences have you had of people 'laying down the law'? Has it ever had the opposite effect, tempting you to *break* the rules instead?
- How do you feel about the Good Life as outlined in the Ten Commandments? How do you feel you measure up?
- If we have a problem with living the Good Life, is the solution to have more or better laws? If not, what do you think is the answer?
